LEARNING CENTER

UNLEASH YOUR WISDOM

TM1 BUSINESS INTELLIGENCE SOLUTIONS
LEARN THE SOFTWARE
THAT DRIVES YOUR CAREER

Whether you researched and bought TM1, you're new to the organization or you're looking to enhance your career, the Breakaway Learning Center gives you the hands-on wisdom you need to get the most out of enterprise applications.

Drive your skill set forward in our TM1 End User Training (Basic Level). This full-day program

gives you 8 CPE credits and hands-on experience so you can:

- Access and analyze data quickly
- Maximize Excel spreadsheets and improve reporting
- Create “what-if” analysis
- Get the most mileage from your TM1 application

By pushing the application, you’ll spend time on critical analysis and decision making, rather than crunching numbers.

DRIVE TM1 TO PEAK PERFORMANCE

You’ve made the investment in the world’s finest analytical application; now unleash that power. In one day, learn about browsing and formatting, saving views and subsets, setting up Excel reports and writing TM1 formulas.

In one day, learn to put TM1 in gear. So you make that Rolls-Royce perform ... instead of stall on the shoulder.

Basic Excel or equivalent experience is a prerequisite.

UNLEASH YOUR PERFORMANCE

Give yourself advanced capabilities when you enroll in cutting edge classes at Breakaway Learning Center. Our courses give you the key to greater horsepower for driving your business intelligence software.
